

Subject: Request for Access to Additional Courses (phase III and phase IV)

Dear Evangadi Tech,

My name is Anan Serbesa, software engineering student and I am currently enrolled in Phase I and Phase II courses offered by Evangadi Tech. The content has significantly improved my web development skills.

I am writing to request access to the remaining courses in your series. I believe completing these will provide me with a thorough understanding of web development, which I can effectively apply in my career. If possible, I would greatly appreciate the opportunity to access these additional courses, as I am eager to continue my learning journey with Evangadi Tech.

Thank you for considering my request. I look forward to your positive response.

Warm regards,

Anan Serbesa
